

procedures in this part, make requested records available for inspection and copying.

(c) *Statutory exemptions.* Exempted from FOIA's statutory disclosure requirement are matters that are:

(1)(i) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and

(ii) Are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of an agency;

(3) Specifically exempted from disclosure by statute (other than the Privacy Act), provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings,

(ii) Would deprive a person of a right to a fair or an impartial adjudication,

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy,

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforce-

ment authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source,

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

(d) *Decisions on requests.* It is the policy of the Presidio Trust to withhold information falling within an exemption only if:

(1) Disclosure is prohibited by statute or Executive order or

(2) Sound grounds exist for invocation of the exemption.

(e) *Disclosure of reasonably segregable nonexempt material.* If a requested record contains material covered by an exemption and material that is not exempt, and it is determined under the procedures in this part to withhold the exempt material, any reasonably segregable nonexempt material shall be separated from the exempt material and released. In such circumstances, the records disclosed in part shall be marked or annotated to show both the amount and the location of the information deleted wherever practicable.

§ 1007.3 Requests for records.

(a) *Submission of requests.* A request to inspect or copy records shall be submitted to the Presidio Trust's FOIA Officer at P.O. Box 29052, San Francisco, CA 94129-0052.

(b) *Form of requests.* (1) Requests under this part shall be in writing and must specifically invoke FOIA.

(2) A request must reasonably describe the records requested. A request

§ 1007.4

36 CFR Ch. X (7–1–05 Edition)

reasonably describes the records requested if it will enable an employee of the Presidio Trust familiar with the subject area of the request to locate the record with a reasonable amount of effort. If such information is available, the request should identify the subject matter of the record, the date when it was made, the place where it was made, the person or office that made it, the present custodian of the record, and any other information that will assist in locating the requested record. If the request involves a matter known by the requester to be in litigation, the request should also state the case name and court hearing the case.

(3)(i) A request shall:

(A) Specify the fee category (commercial use, educational institution, noncommercial scientific institution, news media, or other, as defined in § 1007.9 of this chapter) in which the requester claims the request falls and the basis of this claim; and

(B) State the maximum amount of fees that the requester is willing to pay or include a request for a fee waiver.

(ii) Requesters are advised that, under § 1007.9 (f), (g) and (h), the time for responding to requests may be delayed:

(A) If a requester has not sufficiently identified the fee category applicable to the request;

(B) If a requester has not stated a willingness to pay fees as high as anticipated by the Presidio Trust; or

(C) If a fee waiver request is denied and the requester has not included an alternative statement of willingness to pay fees as high as anticipated by the Presidio Trust.

(4) A request seeking a fee waiver shall, to the extent possible, address why the requester believes that the criteria for fee waivers set out in § 1007.10 are met.

(5) To expedite processing, both the envelope containing a request and the face of the request should bear the legend "FREEDOM OF INFORMATION REQUEST."

(c) *Creation of records.* A request may seek only records that are in existence at the time the request is received. A request may not seek records that come into existence after the date on which it is received and may not re-

quire that new records be created in response to the request by, for example, combining or compiling selected items from manual files, preparing a new computer program, or calculating proportions, percentages, frequency distributions, trends or comparisons. In those instances where the Presidio Trust determines that creating a new record will be less burdensome than disclosing large volumes of unassembled material, the Presidio Trust may, in its discretion, agree to creation of a new record as an alternative to disclosing existing records.

§ 1007.4 Preliminary processing of requests.

(a) *Scope of requests.* Unless a request clearly specifies otherwise, requests to the Presidio Trust may be presumed to seek only records of the Presidio Trust.

(b) *Records of other departments and agencies.* (1) If a requested record in the possession of the Presidio Trust originated with another Federal department or agency, the request shall be referred to that agency unless:

(i) The record is of primary interest to the Presidio Trust, for example, because it was developed or prepared pursuant to the Presidio Trust's regulations or request,

(ii) The Presidio Trust is in a better position than the originating agency to assess whether the record is exempt from disclosure, or

(iii) The originating agency is not subject to FOIA.

(2) A request for documents that were classified by another agency shall be referred to that agency.

(c) *Consultation with submitters of commercial and financial information.* (1) If a request seeks a record containing trade secrets or commercial or financial information submitted by a person outside of the Federal government, the Presidio Trust shall provide the submitter with notice of the request whenever:

(i) The submitter has made a good faith designation of the information as commercially or financially sensitive, or

(ii) The Presidio Trust has reason to believe that disclosure of the information may result in commercial or financial injury to the submitter.
